The Carousel Cabaret—two time winners at the Texas Burlesque festival—has graced stages such as Stubb's, Antone's, La Zona Rosa, and the Saxon Pub in Austin, TX, as well as performing on stages in Dallas/Fort Worth, San Antonio, New Orleans, and Kerrville Folk Festival. The members bring a wide range of talents both trained and natural. Some performers with decades of theater and dance training, others with a natural eye for costume design and musical talent; these girls bring it all together with a sharp comedic edge and a beautiful body for detail.

Winner: Texas Burlesque Fest 2009: Best Ensemble
2008: Audience Favorite

"These lovely ladies bring a style that is reminiscent of true old style cabaret with a sexy new twist. Talent, beauty, creativity, entertainment, and tease—tastefully done mind you" Austin, TX Event Review, May 2009
